## 2007 Maintenance of Certification Program Cosmetic Plastic Surgery Module

### Examination Performance Report

NAME: **Stuart Adam Linder, M.D.**

ID NUMBER: **107162**

This examination performance report shows your pass/fail outcome obtained on the 2007 American Board of Plastic Surgery (ABPS) Maintenance of Certification Examination. To pass the ABPS Maintenance of Certification Examination, you must receive a total test score that is equal to or greater than the minimum passing score for the Cosmetic Plastic Surgery Module. Your pass/fail outcome is shown below.

---

**Pass/Fail Status**

**PASS**

---

Your total test score is the percentage of items you answered correctly on the examination and is shown at the bottom of this report. Also provided is the percentage of items that you answered correctly on the two major content areas of this examination. This feedback is provided to help you assess the strengths and weaknesses in your knowledge of plastic surgery. Please note that pass/fail status is based exclusively on your total test score, not on performance in individual content areas. Also presented are the mean percentages of items answered correctly for reference group candidates taking the examination. The reference group is comprised of United States medical school graduates who have time-limited certificates and were taking the ABPS Maintenance of Certification Examination for the first time in 2007. This is consistent with the reference group specification used for the Written Examination.

<b>Content Area</b>	<b>Your Percentage of Correct Items</b>	<b>Mean Percentage of Correct Items</b>
Core Knowledge	100	87
Cosmetic Plastic Surgery	100	89
<b>Total Test Score</b>	<b>100</b>	<b>88</b>
