

THE PREMIER PLASTIC SURGEONS of California

Stuart A. Linder, MD, FACS, Inc.

This world-renowned surgeon has literally written the book on body sculpting: "*The Beverly Hills Shape (The Truth About Plastic Surgery)*" is now available in bookstores.

Dr. Linder specializes in breast augmentations, lifts and reductions, abdominoplasties and full body liposculpting. A media favorite (with many appearances viewable at the web site), his clientele includes the "rich and famous" along with patients from all walks of life - each of whom receives the same exceptional care.
